## What You Do

 Turn over three cards.

Say which does not belong.

The tiger does not belong because it does not have spots.

Draw.

## What You Need

- Object Cards
- Recording Sheet for each child

## What You Do

1. Mix the cards together. Place them facedown in two rows.
2. Take turns. Turn over three cards at a time, and tell which object does not belong and why. If your partner agrees that what you said makes sense, keep those cards. If not, turn them back over.
3. Play until all the cards are taken.
4. Use your cards to complete the **Recording Sheet**. Draw to show the objects that belong in each category.

## Go Further!

Play again. This time turn over two cards at a time, and say how the objects are alike. If they are not alike in any way, turn the cards back over. The player with the most cards wins.
