

## Medical Plan Highlights

Choose from three Cigna plans: The SureFit plan offers the lowest monthly cost using a regional network of physicians; the Choice Fund plan offers affordable health care with the convenience of out-of-network coverage, both of these plans can be used with a Health Savings Account (HSA) to cover out-of-pocket health care expenses; the Open Access Plus plan offers lower deductibles but will cost you more in payroll contributions and is not compatible with a HSA.
